

## WIPRO Interview Pattern and Experience - Dhenkanal, Orissa, 25-Oct-2011

Hi All,

This is Sourav Dash, DEPT. of ETC in SYNERGY INSTITUTE OF Engineering AND TECHNOLOGY, DHENKANAL, ORISSA (2008-2012). We had a campusing of Wipro Technologies, in our college, It was the first oncampus in our college..

Total attended 450, written clear 160, technical interview clear 87, hr clear 81, but due to back papers only 51 get selected.

There were three steps in the selection process:

1. Aptitude test
2. Technical Interview
3. HR Interview

Aptitude Test:

It was an offline one of 1 hour,,,it was conducted in the presence of wipro invigilators, don't try to cheat them , unless they simply give a mark on ur paper and u r rejected, so be honest in the written exam. THE DETAILED BIT BY BIT OF THE QUESTIONS AND PATTERNS ,, I HAD ALREADY MADE IN INDIABIX.COM -WIPRO PAPERS .

With this I cleared the aptitude round. THEN THERE IS AN CASE WRITING --IN which one topic is given and you have to write about it within 10 minutes,, -my topic was privatization of education, the questions from this is to be asked may be in technical round but HR will surely be asked from this, so appear it seriously plz, Next was the technical interview.

Technical Interview:

My technical interview was on the same day on which I have cleared my written test... Don't be nervous,, be confident,,, u have to only be thorough about urself and only one topic of any computer languages,,, so at first they told that they were only here to take the innovative persons . The interview is as follows-

Me: Good afternoon, Sir.

Sir: Good afternoon. Please take your seat.

Me: Thank you, Sir.

Sir: Show me your CV. (in my CV my subjects of interest were DBMS and C++) So you HAVE a good academic background,, quite good in 10th,+2 and B.TECH,,

Me: yes, sir....

Sir: so, you mentioned in your cv that u attend a workshop of mentor graphics, what is actually it??????

Me: advanced version of vlsi and.....told...

Sir: Why are we here to select you ,, not your friends?????

Me: told...

Sir: so, give me a small introduction about urself????

me:told.....

Sir: so, in free time your mind goes in which areas????

me:told.....

Sir: so, u like dbms ,, ok??

me:told.....

Sir: so, DO U ALSO KNOW DATA STRUCTURE????  
me:told.....YES,QUITE ENOUGH....  
Sir: so, plz clear me about linked list????  
me:told.....  
Sir: so,how u can explain linked list to ur mother who had no idea about computer????  
me:told.....by taking example of grand mother as previous node -mother as info node and son as next node??????  
Sir: so,sourav tell me it is in hierarchical form????  
me:told.....no,sir  
Sir: so,how u make it hierarchical????  
me:told.....by making it into circular linked list....  
Sir: so,nice answer ,,well u r good in technical????  
me:thanku alot ,sir  
Sir: so,tell me about the tough moment-the moments that u can never be forgot in ur life????  
me:told.....  
Sir: so, u r a student of ETC RIGHT,,,SO WHY U WANT TO JOIN IN IT SECTOR????  
me:told.....EDUCATION IS NOT LIMITED IN ONE SECTOR.....AND.....ANSWERED.....  
Sir: so,tell me a practical example where we use linked list????  
me:told.....but in slight doubt.....  
Sir: so,what is ur basic idea about wipro????  
me:told.....  
Sir: so,if i will reject u ,,then what is ur next step????  
me:told.....no question about rejection sir,,i have told all the answers very confidently,,also my academic performance is well,,  
Sir: if after that i will reject you then...????  
me:told.....  
Sir: so, i'm not ever going to reject you,,,u r selected for HR round????  
me:told.....

They mainly concentrate on the subjects given in the CV. Don't fear CONCENTRATE ONLY ONE TOPIC LIKE DEADLOCK FROM OS OR ARRAY FROM "C" AND REPRESENT IT AMONG THEM IN FULL CONFIDENCE....U HAVE TO STRIKE ONE THING IN UR MIND THAT U R THE BEST,,,THEY ONLY WANTS TO EXAMINE IT....SO THEY COME TO U,,NOT UR GOING TO THEM...SO U HAVE SOME SPECIAL QUALITIES....THIS THINGS HAVE TO BE ON UR MINDS ,,SO THAT SUCCESS WILL COMES TO U.....

If you are selected in the technical round then u will be given a pink form immediately. If u do not get the form then u are not selected.

Then we had to fill up the form. the essay topic is also submitted before u r infront of hr and also your performance in technical round by the technical interviewer,,,  
Now for the HR round.

HR Round:
